Android Development

Git/Bitbucket/TFS

Linux

Agile Development

CA API Management

Flutter Development

Ionic/Cordova Development

Docker

PROGRAMMING EXPERIENCE

Python 3.x

Java

C# / .NET

Javascript/ Typescript

Angular

Node.JS

C++/ C

PHP/MySQL

Go Lang

PERSONAL PROJECTS

I spend my time doing a lot of personal projects with some really cool
technologies some of these include:
- Mobile Application Development
- Home Automation Projects
- Raspberry Pi Projects
- Custom Websites
- Contributing to Open Source Projects
